# WELCOME

## TO PEACEHAVEN & TELSCOMBE

**Good evening and welcome to the Final of the Aaron Clements Memorial Trophy which today will be awarded by his mother Sharon and we thank her for giving up her time to be here tonight.**

Tonight's teams are both on the hunt for the double with Durrington currently in the driving seat sitting top of the table and knowing that an unbeaten end of the season will see them crown champions.

Smallfield in their debut season have again been pushing for the title all season and this could be the first part of a very well deserved double should they defeat the form book and beat tonight's favourites.

Also a big thank you to our hosts at Peacehaven & Telscombe, as well as the SSFL committee for their time tonight.

We wish everyone the very best of luck and thank all of the match officials and committee members for giving up their time.

Greg Austin  
SSFL Chairman

## SMALLFIELD

Formed: 2025

Bio: Smallfield Football Club is a proud and long-established community club, having provided opportunities for local footballers for over 60 years. The club was originally founded by John Hodgkinson, who served as club secretary for more than six decades until his passing in 2021. In recognition of his remarkable contribution, the clubhouse bar remains affectionately known as “John’s Bar”.

The club has deep roots within the local community, with a strong emphasis on youth development and creating a pathway from junior football through to the senior game. Over the years, generations of players have progressed through the ranks, embodying the club’s commitment to grassroots football. In more recent history, The Club has enjoyed notable success, including back-to-back Redhill & District League Premier Division senior titles in the 2010-11 and 2011-12 seasons, and County Cup Winners 2011.
