WELCOME

TO PEACEHAVEN & TELSCOMBE FC

Good evening and welcome to Peacehaven & Telscombe Football Club as Cup Final season continues!

Tonight we have Aaron Clements Memorial Trophy, where Sands United face Hampden Arms.

On the 22nd April 2023, Aaron took he's own life after struggling with difficulties and meant health issues. Aaron was a happy man with a lot to live for. This trophy is in memory of Aaron.

If you are struggling with difficulties in life or mental health, there is always someone to speak too, people will always LISTEN.

This evening we have

Sands - the Division 5 Cup winners vs Hampden Arms, who have been the Division 6 phenomenal surprise package this season.

We wish both teams the very best of luck and thank our match officials for giving up their time tonight.

Please also take the time to check our fantastic official photographer Steve Mills and his website for potential bookings and future engagements.

Enjoy tonight's game and make use of the facilities.

HAMPDEN ARMS

Formed: 2022

Bio: A bit about our club at the start of the season we had a tough start with the old manager doing a runner with the money and leaving us with no kit and debt to the league.

Since of October when the new management took over, we have been immense. Recently wrapped up the league title and now in two cup finals.

So proud of the boys they've been brilliant. Fingers crossed we can continue this unbeaten season since the new management taken over and get our hands on the cup.

THANK YOU TO OUR SPONSORS

J Torbet Construction

For any of your construction needs based in East Sussex! I decided to sponsor the Hampden after finding out the club had been run into the ground in more than one way.

Firstly I was a player like others who'd found out they'd had their own hard earned money pretty much stolen, but what I notice about the group is how they all still wanted to play and all chipped in even more personal money to save the club which showed myself how much everyone one wanted to still continue and the togetherness as a team which is great foundations for a football team, there was no doubt in my mind I wanted to help in whatever way I could and was happy to sponsor the team. I look back now and it was one of my better choices I've made in my life.

MEET THE PLAYERS

Jack Webb

Solid between the sticks, hes always there when we need him apart form a Tuesday when we train. And he's been best keeper in the league by far.

Will Danielczyk

Mr consistent, he does his talking with his football. Our very own Gvardiol.

Tom Preecy

He is our media guy but, on a Sunday, he is our warrior CB with sexy hair. Having a sensational season

Jamie Torbet

He is a swan with a concrete head, never shy's away from a challenge rock solid.

Todd Barton

Our El Capitano, having an unreal season solid and commanding - watch out for the scoop!!!

Mac Clowes

Our goal scorer this season been so lucky to have him he's having a better season then Stoke City thank God

Josh Cox

The speed demon, unselfish winger with over 19 assist this

season, just a shame he takes photos with his top of in the gym.

Adam Colyer

The hitman, solid midfielder with an unreal left foot which is good as I've never seen him use his right.

Sean Ligocki

Beast!! One of our leaders, unselfish striker but also deadly in front of goal, best smile at the club.

Sam Kennedy

Tidy midfielder with undiagnosed ocd and it shows on the pitch with his neat passing, also great for a restaurant recommendation

Ben Thomsett

Runs so much it gets boring strong as an ox, lucky were the home team tonight otherwise he wouldn't be here.

Michael Owens

Strong Fullback who's been at the club from the start, we struggle to understand his Scottish accent, but we love him to bits

Connor Griffiths

Gaffer, hope the lads don't hurt me for their bios

Freddi Du Casse

The oldest looking 20-year-old ever, but also another terrific ball playing centre back.

Bradley Bryant

Another who lets his football do the talking, horrible to play against never stops running and tackling.

Jack Fuller

Mr Hampden Arms, loves the club and it shows on the pitch brilliant ball playing centre half always gets stuck in on and off the pitch credit to the club.

Faith Hayward

Just wanted to also shout out or amazing physio who got dragged in to take some pressure of me I couldn't do it without you so thank you Faith
