WELCOME

TO PEACEHAVEN & TELSCOMBE FC

Good evening welcome to the Aford Awards Invitational Cup Final at Peacehaven & Telscombe.

Tonight sees local team Peacehaven Athletic face BN Don Reserves.

The teams have only met once this season with Peacehaven winning 4-1 - but tonight is a Cup Final so it's an even playing field!

Both sides have had indifferent seasons with this term failing to live up to the success of last year's. Peacehaven beat Ferring in the Semi-Finals, whilst BN Dons Reserves needed penalties to see off East Grinstead Meads in the last four.

We wish everybody the very best of luck - we thank you for your time in supporting both teams and please be respectful at all times remembering that there are children around you.

Thank all of the match officials and committee members for giving up their time.

SSFL Chairman

PEACEHAVEN ATHLETIC

Formed: 2019

Bio: Peacehaven Athletic was founded in 2019 by current club first team manager Alick Brown and ex player Callum Wood.

After many passing comments and conversations between the pair they devised a plan in a local pub with the aim of running a competitive, family feel and successful club. Since 2019 Peacehaven Athletic have competed in the Sussex Sunday Football League and since 2025 have also created a reserve team with the aim of getting ex players back into football and offering more of an opportunity to friends and footballers of any ability in the local area to get involved.

Since the club was created we've built a great relationship with Peacehaven Town Council and call the Centenary Park in Peacehaven our home which offers a good grass playing surface and also changing rooms with showers.

The Start of 2022 also saw us partner with The Telscombe Tavern, a local pub in the Peacehaven and Telscombe area which offers us somewhere to meet up and chill out whilst watching football on the tv's, playing pool or darts and having a drink whilst having something to eat on match days, Christmas parties and end of Season do's.

BN DONS RESERVES

Formed: 2021

Bio: BN Dons Reserves were formed in addition to our successful first team in the 21/22 season.

As a team we really kicked on in the 22/23 season under Tony Woods winning our divisional cup and finishing narrow runners up in the league, the following season we went a step further winning the division and finishing runners up to our firsts in the first dual club ssfl cup final.

A competitive season in the prem followed again with good cup showings and this season we've had yet another solid season despite changes behind the scenes leading us to tonight where we will be aiming to add our names to the trophy won by our firsts last season.

We'd like to wish our opponents luck this evening and hope for a cracking game and thanks as always to the league and its officials.

MEET THE PLAYERS

James Marsh

Solid 8/10 weekly loves an argument will run 200 yards up the pitch to start on someone but always comes up with big saves

Torin Seagrove

Tall dark and handsome with the brains of fish, pops up with a goal or 2 now and then but still never seen him fully sprint

Michael Medhurst

Not afraid of a tackle, loves a yellow card and a sin bin and plays better when had no sleep, no left foot pulls a rabona out instead

Andrew Burstow

El Capitano this season turns up weekly, goal to game ratio is non existent but his yellow card to game ratio is phenomenal

Kevin McMahon

Been class when he fancies turning up this season, leads with passion just a shame no one can understand him

Alfie Lucas

The annoyance of the squad, kicks a ball like it's his first time playing football still never seen him make a successful cross but can't deny he's solid defensively and works hard

Jake Bobby

Brilliant on his day, can't play a game of football without a touch of the devils lettuce, turns up when he wants

Jake Milner

The milkman always delivers, elegant on the ball loves a roulette, will let u and everyone within a 5 mile radius he's been fouled

Mason Harwood

Hardest worker on the team got 3 lungs can do the dirty work all day long, will message you 15 minutes after meet time saying he's gonna be late

Abdi Adam

Loves a tackle loves to get on the ball an try and take everyone on, hates to keep it simple but grafts till the end

Reece Halls

hates Sunday league but will turn up when short, James Milner of the team can play many positions whilst not being great at any, dead ball specialist

Toby Tester

Young, fit as a fiddle can run all day long...at least he was until he turned 18 and now can barely run and never turns up sober

Zach Kladis

Elegant on the ball, works hard, dug us out the mud this season when been short, always looking sharp loves to go btown in a suit hair slicked back and pretend he's just finished work (he's a builder)

Ricki Mitchell

Played many games this season only a couple for me since I've taken over, adds a bit of class on to the pitch as well as age, composed in front of goal and scored a vital goal in the quarters

John Craig

Oldest in the squad but still the quickest at his prime age of 44, loves a moan up don't think about benching him or he'll be in your DMs for months but works hard and will chase all day long, just a shame he can't find the net!

Jake Pierce

Joined the dons late but been brilliant since he's came in earned his spot from being on the bench now starting weekly, him and John perfect strike partnership not in terms of goal and assist but in terms up standing up top moaning about the rest of the team together
