Accordingly any form of discriminatory abuse - whether it by reason of age, disability, gender reassignment, race, religion and belief, marriage and civil partnership, pregnancy and maternity, sex and sexual orientation or any other form of abuse will be reported to The Football Association for action.

WELCOME TO LANCING

Good evening and welcome to the pinnacle of the Sussex Sunday Football League season the final of the Sunday Trophy which is dedicated to the memory of long-trm committee member and former chairman Roy Terrington.

Tonight sees Tally Ho versus BN Dons. Both teams know each other inside out with many of the Home side playing for the Saturday version of the Dons team so this will be a very familiar game for a lot of people and one which all of the committee have been looking forward to for many months.

You will see some familiar faces in the middle with the Referee secretary, the

League Welfare Officer and the Vice Chairman all taking up the roles of match officials.

We wish everybody the very best of luck we thank you for your time in supporting both teams and please be respectful at all times remembering that there are children around you.

Thank all of the match officials and committee members for giving up their time.

BN DONS

Formed: 2019

Bio: Since forming in 2019 the BN DONS story has been a remarkable one.

Having amassed a staggering 14 trophies to date including a domestic ssfl clean sweep last season big games and finals now feel a must for the club each new season.

This current season has been a real mixed bag with a strong run to the national cup last 16, which was the furthest any SSFL club had reached, a big highlight prior to this evening where we will be looking to add the leagues biggest trophy in the Roy terrington to our cabinet for only the second time.

We'd like to thank the league and its officials for hosting us tonight and wish our friends at TALLY HO FC good luck in what we're sure will be a hugely competitive and entertaining final.

MEET THE PLAYERS

Elliot Tucker; Long standing number 1 back between the sticks tonight after an injury lay off on pitch.

Jack Green; Goal machine on Saturdays and hopefully been waiting until tonight for his first of the season for us.

Billy Green; A colossus at the back but hard to keep him there as he loves a wander forward with varying results.

Josh Tuck; Massive presence since linking up with us at the turn of the year, probably be retching in a forwards ear the first 10 minutes.

Jackson Pixley; Consistent, flexible, aggressive and reliable all season wherever he's been asked to play and a huge part of the teams core.

Alex Laing; Dubbed the Sussex pirlo after a nationals game and no stranger to culver road but not sure if that's a good thing.

Harley Damario; Clubs all time top scorer who's due to hit another hot streak and always likely to have a highlight moment in a dons shirt.

Morris Dench; Not been with us as much as we'd have liked as been instrumental in old V's great escape but top drawer whenever he has been.

Luke Burbidge; Lifts everyone around him when he's on his game and will be instrumental in the engine room this evening.

Jesse Burbidge; This seasons current top scorer and the cleanest striker of the ball in the league.

Khalid Bilal; Long serving number 9 who's resilience in coming back from a potentially season ending injury last summer to lead the line embodies all that's good about the club.

Max Vardy; Been a big miss leading up to completing the marathon but a wonderful player

wherever he's asked to play with an eye for goal.

Tyrese Mthunzi; absolute beast of a midfielder who drives the team forward with unmatched intensity.

Zak Kladis; Underrated, under appreciated but always (nearly always) positive and strikes a beautiful free kick if he wins the argument to take one.

Ross Smith; His cautions pay for the scfa end of season awards but still plays with a quality and enthusiasm that made him a thorn in dons side for so long.

Josh Gould; Effortlessly good and another who we've not had enough of but having him back the last few months has been massive.

Brad Stevens; Day 1 dons skipper still one of the very best cb's in the league when he's called upon to help out.
