# WELCOME

## TO SUSSEX FA HQ, CULVER ROAD

Good evening and welcome to Sussex County FA HQ at Culver Road as Cup Final season continues!

Tonight we have the GM Senior Cup Final between BN Dons and Preston Dynamos 1958 sponsored by GR Teamwear.

Anything can happen on the day is probably the best football quote that can be used for tonight's game.

As we have seen in recent cup finals, Goliath doesn't always beat David so let's hope for tonight's fixture we can have as much magic of the cup as possible to make this an entertaining and hopefully close encounter.

The sides have met three times already this season Dynamos knocked the Dons out of The County cup on penalties and in both the Aford cup (5-0) and the League (2-1) BN Dons were the victors.

In a week where we sadly lost our good friend Dave Beattie we all come together tonight to not only celebrate everything that is great about Sunday football but also what makes us continue doing

the thing that we love the most which is grassroots.

There will be a minute silence before the game in memory of our former vice chairman who sadly lost his battle against dementia on Sunday.

We would like to take this time to wish our match officials a fantastic evening and also thank you to our kind cup sponsors Kieran and Ian at GRTeamwear. Please see their contact details further in the program.

Please also take the time to check our fantastic official photographer Steve Mills and his website for potential bookings and future engagements.

Enjoy tonight's game and make use of the facilities.

Ian South  
Vice-Chairman

## PRESTON DYNAMOS 1958

Bio: Preston Dynamos were founded in the Preston Park area of Brighton in 1958, and are the only surviving founding member of the Sussex Sunday Football League.

Throughout it's many seasons the club has fielded numerous professional players and lifted every local trophy at some stage.

In 1985 founder Dave Carruthers secured the club a permanent home at Rottingdean Village Football Club, where the iconic windmill that forms part of our club crest can be seen from the pitch.

Today the club is run and managed in a way that pays homage to its history, whilst is also constantly evolving with the times.

## BN DONS

Formed: 2019

Bio: BN Dons FC were established in the 19/20 season and in that time have won 10 trophies including back-to-back County Cup wins in 2022/23 and 2023/24.

This season has been the best season so far for BN Dons starting off nicely winning the Summer Cup beating our 2's in the final, setting us up well for the season. We were obviously disappointed to go out of the National Cup in the first round with a depleted squad against top opposition Wandgas Rangers.

Losing in the quarter finals of the County Cup against Preston Dynamos on penalties was another bitter pill to swallow, but Dons have bounced back since then and have proved tough and resilient and showing true character.

Winning the SSFL Premier League title for the first time, remaining unbeaten throughout the season, was a major achievement and we have gone on to be the team everyone wants to beat!

# MEET THE PLAYERS

Aaron Ancell - 19

Great addition to the Dons this season, great lad who can play anywhere he is asked to and loves a tackle

Khalid Bilal - 30

Super striker who is coming back to his best at the right time, beat his personal best for 100m in March and sports the freshest of trims

Jesse Burbidge -29

Known for his super Jesse B bump celebration makes the fans go wild, loves a long-distance volley and has 3 goals of the season contenders before tonight. Going for league "Golden Boot" goal and assist king 30 at time of printing

Luke Burbidge - 23

Cousin of Jesse B and the blond silent assassin, non-stop running through the 90 named Jinky Jink by the lads. Scored some memorable winners this season and 7 quality assists all when needed most

Sean Cully - 32

As good on the pitch as he is on Twitter, AKA "Fish" The old man of the side always moaning about his joints and aches and pains but gives 100% every game, great communicator in the team and has got the odd goal as well

Harley Damario - 22

Pacy winger who likes a header even with a receding hairline, getting his mojo back at the right end of the season. 24 goals and 9 assists at time of going to print. Loves being subbed!!!

Rhys Emerie - 26

Another new addition to the team this season "Kojo" has fitted into the Dons setup nicely with his silky skills no relation to Umar as a different spelling

Josh Gould - 24

Team captain with a BIG heart who takes no prisoners, covers the

pitch like a senior groundsman at Wembley before a big international. MoM king this season

Billy Green - 22

Tallest in the side, a mummy's boy with tattoos, loves a holiday and is in charge of the dressing room playlist before games had a great season and battled through unfortunate injuries a massive Kylie fan and a mate of Harley

Jack Green - 28

Club Chairman and founder. Tough defender with pace and real attitude, loves to stop wingers in their paths and is in charge of the clubs Twitter and known for the occasional cutting Tweet and payback after games

Ahmed Kamil - 22

The Don's very own scouser, great touch on and off the pitch and a bit skilful to say the least. Not been available as much as we had hoped this season but one to watch

Aaron Lockwood - 22

Loves a Chinese and is known as "Nochin" massive Albion fan and is loves to be the dominant one in a 3 on and off the pitch

Trammell Mthunzi - 21

The most vocal player on and off the pitch but his words speak volumes on the pitch with his never give up attitude, cheeky wind-up merchant with a permanent smile mid-season signing from ESS. Younger bro of Tyrese

Tyrese Mthunzi - 23

When his brother Mel got him to sign, we were not sure what to expect as he had not played for a while but had played a good level at youth level. What an addition to our midfield he has been Super fit, strong and skilful and unlike his brother is so quiet in comparison

Blu Pannel-Hughes - 27

Blu has always been on hand to add that physical presence up front when needed. The Greek god of

the side who loves a Thai when it is on offer

Jackson Pixley - 26

Pacy defender, deluded Chelsea fan nicknamed "Spraxo" loves looking at himself in mirrors at parties while on his phone. Been so consistent this season and has come good after a few minor setbacks at the start of the season

Gabriel Robinson - 23

Gabe as he is known is a top Gooner and has fitted into the team well this season as the newest newbie. Never backs down from a challenge especially from our subs

George Rudwick - 30

Great to have George back in the squad after returning from 3 months travelling, Although lacking fitness a quality midfielder with size 6 feet but size means nothing with a player of his ability who controls and dictates the game

Brad Stevens - 27

When Brad has been available he has been a colossus at the heart of our defence, does not lose many headers, the Dan Burn of the side and has also scored those so important and crucial goals

Elliott Tucker - 28

The last man, our keeper who has been commanding and class the last two seasons, his distribution of the ball is as good as Ederson's. Is also a good defender when needed

Max Vardy - 25

Been absolute quality all season, played in every position except in goal. Heart of a lion and never stops running with or without the ball, can strike a ball too.

Lewis Whitehouse - 29

Mr Phx as he is known for short is a tough tackling defender who is at home whether cleaning a carpet or playing on one. Not been as available the second half of the season as the start but ready to fit into the squad at the right time.
