## Respect

The Sussex Sunday Football League strongly supports the FA statement that there should be a zero tolerance approach against racism and all forms of discrimination.

Accordingly any form of discriminatory abuse - whether it by reason of age, disability, gender reassignment, race, religion and belief, marriage and civil partnership, pregnancy and maternity, sex and sexual orientation or any other form of abuse will be reported to The Football Association for action.

# WELCOME

## TO LANCING FC

Good evening and welcome to Lancing Football Club as Cup Final season continues!

Tonight we have The Roy Terrington Higher Cup Final between Premier Division duo BN Dons and Heathfield & Horam.

Heathfield and Horam are attempting to stop BN Dons completing the clean sweep of SSFL trophies after already collecting the Premier division title, Senior Cup and the Aford Cup in the last few weeks. Can they stop the Dons THAT is the question.

We wish both sides the very of luck and thank you all for attending.

Keep an eye out for the match officials - tonight sees the chairman and

vice chairman joining another committee member by officiating in our biggest cup final.

We wish both teams the very best of luck and thank our match officials for giving up their time tonight.

Please also take the time to check our fantastic official photographer Steve Mills and his website for potential bookings and future engagements.

Enjoy tonight's game and make use of the facilities.

Greg Austin  
Chairman

## BN DONS

Formed: 2019

Bio: BN Dons FC were established in the 19/20 season and in that time have won 10 trophies including back-to-back County Cup wins in 2022/23 and 2023/24.

This season has been the best season so far for BN Dons starting off nicely winning the Summer Cup beating our 2's in the final, setting us up well for the season. We were obviously disappointed to go out of the National Cup in the first round with a depleted squad against top opposition Wandgas Rangers.

Losing in the quarter finals of the County Cup against Preston Dynamos on penalties was another bitter pill to swallow, but Dons have bounced back since then and have proved tough and resilient and showing true character.

Winning the SSFL Premier League title for the first time, remaining unbeaten throughout the season, was a major achievement and we have gone on to be the team everyone wants to beat!

# MEET THE PLAYERS

## Aaron Ancell - 19

Great addition to the Dons this season, great lad who can play anywhere he is asked to and loves a tackle

## Khalid Bilal - 30

Super striker who is coming back to his best at the right time, beat his personal best for 100m in March and sports the freshest of trims

## Jesse Burbidge -29

Known for his super Jesse B bump celebration makes the fans go wild, loves a long-distance volley and has 3 goals of the season contenders before tonight. Going for league "Golden Boot" goal and assist king 30 at time of printing

## Luke Burbidge - 23

Cousin of Jesse B and the blond silent assassin, non-stop running through the 90 named Jinky Jink by the lads. Scored some memorable winners this season and 7 quality assists all when needed most

## Sean Cully - 32

As good on the pitch as he is on Twitter, AKA "Fish" The old man of the side always moaning about his joints and aches and pains but gives 100% every game, great communicator in the team and has got the odd goal as well

## Harley Damario - 22

Pacy winger who likes a header even with a receding hairline, getting his mojo back at the right end of the season. 24 goals and 9 assists at time of going to print. Loves being subbed!!!

## Rhys Emerie - 26

Another new addition to the team this season "Kojo" has fitted into the Dons setup nicely with his silky skills no relation to Umar as a different spelling

## Josh Gould - 24

Team captain with a BIG heart who takes no prisoners, covers the

pitch like a senior groundsman at Wembley before a big international. MoM king this season

## Billy Green - 22

Club Chairman and founder. Tallest in the side, a mummy's boy with tattoos, loves a holiday and is in charge of the dressing room playlist before games had a great season and battled through unfortunate injuries a massive Kylie fan and a mate of Harley

## Jack Green - 28

Tough defender with pace and real attitude, loves to stop wingers in their paths and is in charge of the clubs Twitter and known for the occasional cutting Tweet and payback after games

## Ahmed Kamil - 22

The Don's very own scouser, great touch on and off the pitch and a bit skilful to say the least. Not been available as much as we had hoped this season but one to watch

## Aaron Lockwood - 22

Loves a Chinese and is known as "Nochin" massive Albion fan and is loves to be the dominant one in a 3 on and off the pitch

## Trammell Mthunzi - 21

The most vocal player on and off the pitch but his words speak volumes on the pitch with his never give up attitude, cheeky wind-up merchant with a permanent smile mid-season signing from ESS. Younger bro of Tyrese

## Tyrese Mthunzi - 23

When his brother Mel got him to sign, we were not sure what to expect as he had not played for a while but had played a good level at youth level. What an addition to our midfield he has been Super fit, strong and skilful and unlike his brother is so quiet in comparison

## Blu Pannel-Hughes - 27

Blu has always been on hand to add that physical presence up front when needed. The Greek god of

the side who loves a Thai when it is on offer

## Jackson Pixley - 26

Pacy defender, deluded Chelsea fan nicknamed "Spraxo" loves looking at himself in mirrors at parties while on his phone. Been so consistent this season and has come good after a few minor setbacks at the start of the season

## Gabriel Robinson - 23

Gabe as he is known is a top Gooner and has fitted into the team well this season as the newest newbie. Never backs down from a challenge especially from our subs

## George Rudwick - 30

Great to have George back in the squad after returning from 3 months travelling, Although lacking fitness a quality midfielder with size 6 feet but size means nothing with a player of his ability who controls and dictates the game

## Brad Stevens - 27

When Brad has been available he has been a colossus at the heart of our defence, does not lose many headers, the Dan Burn of the side and has also scored those so important and crucial goals

## Elliott Tucker - 28

The last man, our keeper who has been commanding and class the last two seasons, his distribution of the ball is as good as Ederson's. Is also a good defender when needed

## Max Vardy - 25

Been absolute quality all season, played in every position except in goal. Heart of a lion and never stops running with or without the ball, can strike a ball too.

## Lewis Whitehouse - 29

Mr Phx as he is known for short is a tough tackling defender who is at home whether cleaning a carpet or playing on one. Not been as available the second half of the season as the start but ready to fit into the squad at the right time.
