WELCOME

TO STEYNING TOWN FC

Good evening and welcome to Steyning Town Football Club as Cup Final season continues!

Tonight we have the final of the Aford Awards Intermediate Trophy which tonight sees BN Dons Reserves versus Heathfield & Horam First Team.

After the cup final last week between Heathfield and Don's first team, they will be taking plenty of positives into tonight's game and hoping to pick up the first piece of silverware.

Dons Reserves will be hoping to match some of their first team's superb success this season after a total clean sweep of all domestic competitions.

We would like to thank our hosts tonight for our very 1st cup final here and we hope everybody enjoys the superb facilities

We wish both teams the very best of luck and thank our match officials for giving up their time tonight.

Please also take the time to check our fantastic official photographer Steve Mills and his website for potential bookings - thank you to steve for his hard work!

And thank you to Anthony for producing tonight's programme.

Enjoy tonight's game and make use of the facilities.

Chairman

BN DONS RESERVES

Formed: 2021

Bio: BN Dons 2's are the reserve team to the highly successful BN Dons Firsts side. Formed in the 2021-22 season, the first season was a matter of getting established as a side themselves and not just a reserve team side.

No glory or magical moments until the following season 2022-23 when they won their first ever trophy, the SSFL League cup winners but then disappointment followed when they lost 5-4 in the County Trophy Final after being 4-1 up at half time, just one of those nights They did, however finish runners up in division 2 as a consolation.

Last season they turned the work done in previous seasons into their first league trophy winning the "Intermediate" league and were promoted to the Premier division. They were unlucky to lose against the Firsts in the George Millyard Trophy Final 2-1.

And then we have this season we had a new manager for the 2s, Ryan Harman coming into head up the side. With the sudden change of rules, we got bumped into the Premier division and knowing it was a tough task ahead. But we've certainly held our own if it wasn't for the league relegating the 3 sides, we had beaten we would have finished higher up. Hopefully we can end a tough season with a trophy tonight!!!

MEET THE PLAYERS

Jordan Dearing
Consistencies lost him his place but a great run of form sees him play tonight. Some big saves got us through in the end!

Alfie Lucas
Ever present in the squad. Loves a drink you'll find him in chalk win lose or draw.

Kevin Mahon
Our little leprechaun. Most experience in the side brings our average age up. Top tier CB

Tommy Chapman
Went missing halfway through but he's back now and ready to rumble.

Kieran Johnson
Crawled back this season when called upon and has been really good. Be even better if he could pass the ball.

Reece Halls
Loves the occasional screamer.....become a dad last year.. still hasn't grown up.

Charlie Barber
Goalkeeper, CB, you name it he does it in and out the squad. Some would say should always be involved.

Taylor West
Came in this season and stole Lockey's place.....one of the fastest players in the league.

Jake Milner
A soon to be dad drops 9/10 performances when he can be bothered to hopefully tonight's one to remember.

Toby Tester
The young gun one of the easiest blokes to manage when on it he's the best on the pitch.

Charlie Brown
The skipper. Taken the helm from Ben this season after a season ending injury. A consistent player in the side.

Charlie Clarke
Our very own Peter Crouch impact from the start and the bench. Never moans. Ever!

Neil Munday
The grandad of the group. Stuck around all season this time round

Dylan Gibbs
What a signing this one's been always think we can win a game with him on the pitch.

Matty Macintosh
The semi-final hero. Struggled

with fitness this season but been at his best at the right time.

Torin Seagrove
His hat trick scraped us through the group. Been brilliant this season our very own Bambi.

Mason Harwood
Top scorer this season played a bit deeper this time round been class all season.

Aidan Eckworth-Jones
Mixed season when he decides he wants to play. Quick and strong is Aidan.

Abdi Adam
Season ending knee injury against Ferring which went unpunished keeps him out the side tonight. Class!

Ben Edwards
The real captain. Season was ended one game in, messed with an ex pro, and got burnt stepped up to help the gaffer instead.

Ryan Harman
The gaffer. Turns up in his wellies every week, without a doubt the grumpiest bloke in Sussex. Loves a card and a moan. If it wasn't for his dodgy knee he would have gone pro.
