Respect

The Sussex Sunday Football League strongly supports the FA statement that there should be a zero tolerance approach against racism and all forms of discrimination.

Accordingly any form of discriminatory abuse - whether it by reason of age, disability, gender reassignment, race, religion and belief, marriage and civil partnership, pregnancy and maternity, sex and sexual orientation or any other form of abuse will be reported to The Football Association for action.

WELCOME

TO RINGMER FC

Good evening and welcome to Peacehaven & Telscombe Football Club as Cup Final season continues!

Tonight we have the final of the Division Four Cup sponsored in Memory of Dave Watson.

Tonight's final sees two of the best attacking teams in the division - but also two teams who should and could have done better.

Both will be hoping for a change in luck to secure the cup.

The two teams should have been challenging for the title and they will equally feel that form and player commitment have been the main reason for them both sitting around Mid table when they could've easily been in the top three on any given day.

We wish them the very best of luck tonight and we would also like to extend our thanks

to our hosts and our match officials for their time.

Please enjoy the facilities here, be respectful and have a safe journey home after the game's conclusion.

Remember, if the tie finishes level after 90 minutes then it will go straight to a penalty shoot-out.

Enjoy the game!

Vice-Chairman SSFL

AFC HEADHUNTERS

Formed: AFC Headhunters was founded on 17th November 2023 at The Coot, Horsham. The club was created among a close network of friends from the local area. Since the beginning our objective was simple... to create the best Sunday league team in West Sussex.

The Journey So Far

Since our beginnings, we've played in countless matches, experienced ups and downs, and had our share of challenges. But we've always stuck together, pushing forward with determination and passion. Looking back our club was created from a simple idea in the local pub. Coming together as one we truly believe we've not just created a football club but also a brotherhood. If we can bring silverware back to Horsham in our first season it would be an astonishing achievement and the first many more!

Leighton Read

Our fines manager with a 0-tolerance policy.
#donttouchthatdial
#heartbreak

Ollie Read

Our top scorer since he came in, should have told him a games 90 mins not 60.

Brad Payne-Phelps

99 pace and the quickest player in the SSFL, He runs as fast as the girls run away from him

Danny Novis

Loves the Gucci mink and a tear arse

Toby Brogan

Our chairman and our No.9 (When his girlfriend lets go of his lead) the second top scorer.

Sam Butcher

Chelsea and the hunter's top boy (Would have been like palmer if it wasn't for bet365)

Alex Macleod

"A hole in one on a 9-yard golf course is an ace aint it"?

Jack Osborne

Great servant for the club... but he's 22 and can't drive.

Frankie Mills

Born to play the game, unfortunately we got the worse brother.

Eddie Brogan

Our Bambi on ice at the back, loves a tackle so much that he
