Respect

The Sussex Sunday Football League strongly supports the FA statement that there should be a zero tolerance approach against racism and all forms of discrimination.

Accordingly any form of discriminatory abuse - whether it by reason of age, disability, gender reassignment, race, religion and belief, marriage and civil partnership, pregnancy and maternity, sex and sexual orientation or any other form of abuse will be reported to The Football Association for action.

WELCOME

TO PEACEHAVEN & TELSCOMBE FC

Good evening and welcome to the Division One Cup Final between Btown and Horsham Crusaders!

Tonight sees the first Cup final of what promises to be an exciting end to the season, and let's hope for a competitive game between two good footballing sides.

The teams have met once already this season with only one goal separating them so hopefully tonight should be a very close and exciting affair.

Both teams are sitting in mid-table in Division One, with neither really having any chance of other silverware so tonight would be massive and would be the culmination of all of their hard work

this term. We wish all three teams the very best of luck and thank you for your support from the sidelines.

Please note any abuse will be met with immediate expulsion from the Stadium with no refund.

Respect at the moment is it's very lowest level and we need to remember that nobody makes a mistake on purpose whether it's a player, an official or a coach.

Thank you for taking your time out to support everybody involved tonight.

Greg Austin
SSFL Chairman

B TOWN FC

Formed: 2013

Bio: Established in 2013, the club has seen plenty of success with 2x SSFL Division 2 league winner trophies, a Cup winners cup and competing in the SSFL Premier division for a while.

Over the years they have been the benchmark for some of the best Sunday League football sides in the entire country.

B Towns final spot was cemented via a 1-0 win to Brazilian Seagulls, in which was a real tactical chess match that could've gone either way.

Our defensive solidarity and spirit showed as we was able to iron out a deserved win and clean sheet to a top side thanks to a smart and tidy finish from Louis Sibley.

MEET THE PLAYERS

Ben Norris

The gaffer but loves a run out when possible and a real sucker for a Cruyff turn.

Harry Scales

Some say he was born with a B Town shirt on. A modern day CB with a decade+ of experience.

Callum McKenna

Who knew Rolls Royce and Birmingham could be in the same sentence, our brummie born CM is a real joy to watch.

Luke Stamper

Moves around the pitch doing everything silently, like the G in lasagna. Consistently keeps us ticking every 90 and seems to never put a foot wrong.

Louis Sibley

Our high-flying winger who has been so devastating this season. A real threat down the line or inside.

Paraic O'Connor

A real pick and mix of talent from our Irish fullback, B

Town's very own Seamus Coleman.

Amos Pakpahan

A man mountain that can go on mazy runs and shut out entire attacks for 90 minutes, best position? Anywhere.

Kyle Boxall

Reliable and proven when called upon, a very valuable man to have between the sticks for our club.

Maxim Lejeune

It's ironic having a bald Frenchman in midfield for us because he plays just like prime Zizou, never a bad game with our Maxim.

Alex Schwab

Our very own Swiss man Mountain at the back, nothing beats him in the air and even has a peach of a pass on him.

Joel Sayers

A player with real quality and experience at good level, which has helped us bring success and silverware time.

Joey Goodwin

B Towns very own Edgar Davids on the wing for us. Young, Inventive and lethal.

David Jeffrey

Consistent, hardworking and committed to every single match he plays for us, not easy to find these days.

James Kedian

A well rounded winger that will always create chaos with his pace and marksman-like finishing.

Connah Gardener-Lowe

Strong, smart, lethal in front of goal, a real nightmare for any defender all game with how he plays.

Jack Gunn

Retired from being a GK, Jack has been an incredibly versatile and valuable forward for us with plenty of goals.

Jack Bould

An athletic, modern day shot-stopper who also won't shut up all game, we apologise now.
